OBSIDIER

Our Origin Is Lava

The inspiration behind the story and the architecture is the black volcanic crystal rock; Obsidian. This unique rock is a symbol of perseverance and it can withstand the test of time. In like manner, our design is timeless.

قصة الهندسة المعمارية مستوحاه من الصخور البركانية السوداء، الابسيديان . هذه الصخرة الفريدة هي رمز للمثابرة ويمكنها أن تصمد أمام اختبار الزمن. بطريقة مماثلة ، تصميمنا خالد.

Exper— ience Obsidier

Being integrated into a mixed-use environment allows our clients to personalize their own facility while having access to a vibrant, fully amenitized space. Obsidier offers a refreshing, enjoyable working environment and efficient office space with a high-end shopping district underneath. The project is designed to provide everything that people need to work productively and yet live life to the full. Comprising 3 buildings with breathtaking views making 80% of the project overlooks green spaces.

بتجربة فريدة من نوعها تم تصميم المشروع ليكون إضافة جديدة و مختلفة بالعاصمة الادارية. ويعتبر هذا المشروع السكني وجهة مثالية لنمط الحياة العصرية، هذا المشروع الأنيق والمصمم بدقة يضم مكاتب إدارية بالإضافة الى وحدات تجارية راقية ومتعددة الاستخدامات بمساحات مختلفة لتلبية كافة النشاطات. ويعكس التصميم الداخلي للأبراج دقة وبراعة التنفيذ حيث تطل الواجهات الزجاجية المذهلة على أكثر من 80 من المائة من المساحات الخضراء.

Black Diamond Towers

Created to last for centuries, like the timeless design of the great pyramids made in three. The three beautifully crafted black diamond towers are made to last.

صُممت الأبراج الثلاثة على شكل الألماس الأسود لتدوم طويلاً.

The Architect

The ingeniousness of the concept behind the architecture is that all the zones and the office spaces in the tower are designed in a way that even the smallest spaces are exhaustive of all the services that one might need.

M.T Architects is a Design Firm based in Cairo, founded in 1996 by arch. Mohammed Talaat. It has added many innovative and unique ideas to the design field, both internationally and in Egypt. The firm is run by one of Egypt's leading architects, introducing one of his most iconic towers, yet.
